Group Access: There are two basic types of group access: open and closed.

Open Group: These meetings are open to anyone interested in finding out about S.A.A.; they need not have admitted that their sexual behavior is a problem.

Closed Group: Meetings open only to those who have a desire to stop their compulsive sexual behavior. "Closed" means the meeting location will be printed in the directory and given out by the ISO office to anyone who seeks help, whether by phone, postal mail, or e-mail. "Closed/12/New" means the meeting locations will not be printed in the directory and will be given only to people who are already SAA members. "Closed/12/All" means the meeting locations will not be printed in the directory nor be given out to anyone, not even SAA members.)
