HOW DID YOU RECEIVE YOUR CALL TO SAA???

We all have had that one moment when we really knew when we "got the call". Over time perhaps it dims with age. That's why most of us know the value of a "wild-eyed newcomer". We are reminded of all the past. See the "Yellow Notepad" article, page 11. Thanksgiving!

All the articles, letters, and other submissions to the PBR are intended to keep us aware of our path of recovery, wherever we happen to be on that road. In addition to that one on page 11, there are others here, and in other issues, which are meant to improve our vision on life itself, especially through the eyes of recovery.

It's not unlike going to our meetings on a regular basis, and working our programs in a regular way. Not only do we see ourselves as we are at the moment, but then have an opportunity to reflect on the total of our lives, and what "it was like, what happened...."

Send us your "sharing", just like it was regular meeting time. Send your "check-in". It will enlighten the life of another.

TAPES AND LITERATURE

On page 12 is a list of the 1999 Convention tapes available at the ISO Office. For those of you who may not have seen the enclosure with the last "snail mailed" PBR.

You will note the savings on a purchase of ALL the tapes from the Convention! And we'll attest to the fact that these tapes will enhance the recovery of all the members who will just listen. Groups can order the whole bunch, maybe even charge a minimal fee for the "check-out" of each tape, allowing the members to "pay as you use" this important recovery resource. And if you haven't got a current Literature Catalog, call the ISO Office. AND USE THE MATERIALS !!! They WORK!!

[Ed. Note: Last month's PBR highlighted a Convention Delegate resolution honoring the services of Arnold D. to the SAA Fellowship. Another request...]

"Please, can you print this item in the August-September PBR?? Time is short."

Many of you may know that Arnold D has been seriously ill, and despite ongoing treatment and the support of his devoted wife Ila, his future outlook is uncertain. Those in the fellowship who remember his long time contributions in so many areas may wish to send him a card or letter. Now is the ideal time to do so. The address is:

**Arnold D
PO Box 502
Mount Morris, MI 48458**

Thanks in advance on behalf of all Arnold's family, friends and recovery partners.

Sincerely,
Ted M
