Dear friends in recovery,

First things first: Thanks to your generous donations, the new meeting search is now live at <https://saa-meetings.org>.

The redesigned page includes many features requested by newcomers, SAA members, and professionals. It is now searchable by keywords and can be filtered on a variety of items, including meeting focus (LGBT, porn, intimacy and sexual avoidance, etc.). We welcome your feedback, which will help us make ongoing improvements to ensure that newcomers, members, and professionals can easily and quickly find the meetings they need.

Thank You! We couldn't have done this without the support of people like you.

The meeting search is just one part of a comprehensive update of our information technology infrastructure. Two of the top priorities are a new store and a new service website. I will discuss these critical projects in my later letters. We cannot complete these projects without your support.

Please know that the smallest act of caring can turn a life around. We ask for your financial contributions today to help us reach more suffering sex addicts and continue the services and resources SAA members depend on every day.

A little support goes a long way.

- \$5 provides literature to a struggling newcomer.
- \$10 provides Green Books to start a prison meeting.
- \$25 covers the cost of printing 200+ pamphlets.
- \$50 supports several hours of phone coverage.
- \$100 pays for a literature rack and literature to reach professionals at conferences.

Please help us continue to provide these services and more in support of the still-suffering sex addict.

Sincerely,

Tracy R.
